Great narratives on the TV western, its heroes and the cap guns, holsters and rifles sold to youngsters and adults alike. Terrific level of effort by D'Angelo researching this piece of Americana.2 of 2 people found the following review helpful. Cowboys and gunfightersBy Jesse JamesGreat book, very enjoyable and entertaining read. Very informatve, never knew so many different cap guns existed. If you want to know about your favorite cowboy hero or the cap gun and holster bearing their name this is the book you need. Also contains a list of values of a great number of cap guns.2 of 2 people found the following review helpful. Cowboys, Gunfighters, Cap GunsBy Mike DIIf you are a fan of the old westerns, new westerns, cap gun collecting, you will love this book if you are lucky enough to find one, this has a wonderful collection of info. about various old westerns and their stars and the cap guns that were made in their honor, just a great and entertaining book and also a very good reference source for

the collector. I rate this 5 stars only because they don't have 6.....Mike D.

More than merely a reference guide for cap gun collections, Western Hero Cap Pistols goes a step further to provide detailed descriptions of cap gun manufacturers and the characters on which the guns are based. 200 photos, 100 in full color.
