Textile Treasures

Naomi Tarrant : Textile Treasures before purchasing it in order to gage whether or not it would be worth my time, and all praised Textile Treasures:

An illustrated introduction to the collections of decorative household textiles in the National Museums of Scotland, highlighting in particular the diverse range of large, richly decorated European and Scottish wall hangings. The development of the collection is also discussed, and individual pieces, largely from the 17th and 18th centuries, are described and planed in their historical context.
