The 2003 Commemorative Stamp Yearbook

United States Postal Service : The 2003 Commemorative Stamp Yearbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The 2003 Commemorative Stamp Yearbook:

0 of 0 people found the following review helpful. The book is in great 'new' condition except one corner is slightly damagedBy Dee FlanaryI bought this for my grandson since he was born in 2003. I still need the stamps because they didn't come with the book. I did not realize that when I ordered it. The book is in great 'new' condition except one corner is slightly damaged. It was a good price and I'm happy with it.1 of 1 people found the following review helpful.

For Stamp CollectorsBy ubaluThe 2003 Commemorative Stamp Yearbook features the ideals, imagination, and creativity of the United States. It is spectacular with colorful photos, printed on high quality paper. Each stamp presented has a full page photo and a one page portrayal of the subject of the stamp. This collectible book also offers a behind the scenes look at the U S stamp program through an Introduction by actor Karl Malden, a renowned actor and Citizens' Stamp Advisory Committee Member. Collectible item presenting the creative spirit of America.

If you really want to know what makes America great, look no further than our nation's stamps. The 2003 commemorative stamp program celebrates the creative spirit of America, from the patriotic ephemera of the Old Glory stamps to the American Filmmaking stamps honoring the behind-the-scenes talents who create movie magic. This new edition of the Commemorative Stamp Yearbook offers a look behind the scenes at the U.S. stamp program as well, with an introduction by renowned actor and Citizens' Stamp Advisory Committee member Karl Malden and informative text explaining the creative process behind stamp design. Featuring subjects from Thurgood Marshall and Audrey Hepburn to the Korean War Veterans Memorial and Southeastern Lighthouses, the commemorative stamps highlighted in this book honor the ideals, imagination, and creativity that we value as a nation. Beautifully designed as a keepsake for collectors of all ages, The 2003 Commemorative Stamp Yearbook is the perfect way to capture the excitement and diversity of this year's stamp program. Featuring space for collectors to affix their matching stamps, this is a book no stamp enthusiast will want to be without.

About the Author William J. Henderson is the Postmaster General and Chief Executive Officer of the United States Postal Service. James L. Bruns is Director of the National Postal Museum, Smithsonian Institution, located in Washington, DC.
