This full colour giftbook tells the fascinating stories behind all of the current year's commemorative stamps: why each stamp was chosen, how the designs evolved, background information on the subjects depicted in the stamps, and all relevant facts and figures. The yearbook is beautifully illustrated and designed as a cherished keepsake for stamp collectors and enthusiasts of all ages. An official product of the U.S. Postal Service, it's the perfect way to capture the excitement of the year's stamp program.
