Five StarsBy Janice HennesseeGreat.33 of 33 people found the following review helpful. Nice, but not value for money.By Marti DolataI sell Ashford knitter's looms, and with the exception of some projects, all the information in this book is covered in the Ashford Book of Rigid Heddle Weaving, which has more information. So I no longer stock this book but the one I just mentioned because I think it is better value for the beginner.

Project and pattern book of easy weaving projects for a rigid heddle loom.
