I sent it back and took the shipping hit because it was worthless to me. I could get the price on maybe 20% of my cards. If all you have is pre 1990's it would be ok but you can get the same information from the monthly guide.6 of 6 people found the following review helpful. Good Purchase. But...By speaksportsMake sure you

buy a magnifying glass to use to read this book with because the print is so small I cant read it without one! Its jammed packed with a lot of info in the book and its a nice book to refer to BUT I do recommend a magnifying glass to help you read it. 5 stars.0 of 0 people found the following review helpful.
