The Bold and Holy Magazine (Volume 2)

Tammy Williams-Jackson : The Bold and Holy Magazine (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bold and Holy Magazine (Volume 2):

The Bold and Holy Magazine is a magazine of encouragement.

About the Author Tammy Williams-Jackson writes books, children books, magazines and more. Writing is a good tool to use to relax your mind and heart says, Tammy. She believes writing wasn't just something she chose to do, but God chose her to write for the purpose of encouraging others as well as herself. She's best known for writing non-fiction material. Her specialty is Creative Writing. Her husband doesn't complain about her writing because, he writes also and the two of them love their 3 children dearly. Tammy was once asked the question, How do you have the time to write when you manage a family, church engagements, work and more? She answered, "When it's something you love

to do, you'll make time to get it done." When Tammy was a young girl, people would always ask her, if she wanted to be a writer, but her reply was 'No'. Of course that reply has changed to an enjoyable 'yes' for Tammy. Tammy enjoys traveling and is always sharing how she loves where she was born and raised which is the mid-western area. When she isn't reading or writing, she's singing, cooking or doing something wonderful. Her only true fear is God, and is the main reason why she aims to allow God's will to be done in her life fully. Her favorite scripture is St. Luke 1v37 'For with God nothing is impossible'.
