The Buyer's Guide to Affordable Antique Jewelry

Anna M. Miller : The Buyer's Guide to Affordable Antique Jewelry before purchasing it in order to gage whether or not it would be worth my time, and all praised [The Buyer's Guide to Affordable Antique Jewelry](#):

2 of 2 people found the following review helpful. Good Information but Misleading TitleBy badgers22This book has quite a lot of good information, but the word "affordable" should be discarded from the title. I do not believe there are more than a couple pieces of jewelry in this book that are priced at less than a few hundred dollars.8 of 8 people found the following review helpful. Great buy and a must for the antique jewelry loverBy A CustomerThis book is a very

valuable basic for those interested in buying or collecting antique jewelry. It describes the different historical periods, lists the best markets for antique jewelry-hunting, gives information on how to spot fakes and bad quality, and also writes about historical jewels and jewelry care. The book is well presented, interesting, informative, and inspires the reader to start or further develop an antique jewelry collection. 15 of 17 people found the following review helpful. A great buy for the wealth of information you receive. By A Customer. The Buyer's Guide To Affordable Antique Jewelry is a great source of valuable information for the novice antique shopper as well as an excellent reference source for fellow gemologists. Anna Miller touches on easy-to-follow guides on how to distinguish between various periods of jewelry, with important information and photos on all types of jewelry and gemstones. As a gemologist, this book is an asset and should be a priority to all jewelry professionals, and potential jewelry antique shoppers.

How to find, buy and care for fabulous antique jewelry.
