Lots of great pictures - mix of black/white and color.This covers lamps, woodenware, dinnerware (American Modern, Casual China, Sterling China, Harker, Knowles), art pottery (Bauer), cutlery, plastics, glass, and even fabrics. They produced a variety of items with the Russel Wright name. There is a small section of Mary Wright designs.This shows examples of most of the marks used - whether they were stickers or ink stamps, or even something else.Great book to own.0 of 0 people found the following review helpful.
