[Free and download] The Collector's Guide to Buttons

## **The Collector's Guide to Buttons**

**Diana Epstein : The Collector's Guide to Buttons** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collector's Guide to Buttons:

0 of 0 people found the following review helpful. Good bookBy GracieGood book for the button collector.0 of 0 people found the following review helpful. Four StarsBy galenreceived as described and on time27 of 29 people found the following review helpful. Every button collector should have this book!By A CustomerIn this book, Diana Epstein gave us a fine overview of the world of button collecting. She covered a majority of the types of buttons sought after by collectors and her written information, as always,was well researched and presented. The pictures used are good representations of the buttons covered in the book, and most helpful. Personally I would recommend this book to all those interested in antique buttons, beginners and advanced collectors alike....

Book by Epstein, Diana
