I have been reloading now for ten years but still learned some things from this book. I can definitely recommend it, even though it is slightly dated now.0 of 0 people found the following review helpful. Great book.By JoeIt's a good and informative book. It answers a lot of questions I had.1 of 1 people found the following review helpful. Excellent help for the reloader!!!!!!!!!!!!!!By michael goldizenThis book is a must read for anyone wanting to start reloading. The author takes you through the basics of handloading. Everyone that handloads no matter how experienced they are should read this book.

One of the deans of gun writing provides the revised, retitled and greatly expanded edition of this highly acclaimed Complete Book of Practical Handloading. This distinguished work includes fundamentals as well as advanced techniques on handloading for rifles, handguns and shotguns. Basic enough for beginners, this book is also a complete reference for veteran handloaders of all types of firearms. The authoritative reference on reloading rifle and handgun cartridges, as well as shotshells -- with nearly 300 close-up photos and drawings.
