## The DCC Guide: How to Select and Use Your Command Control System

**Don Fiehmman : The DCC Guide: How to Select and Use Your Command Control System** before purchasing it in order to gage whether or not it would be worth my time, and all praised The DCC Guide: How to Select and Use Your Command Control System:

Digital Command Control (DCC) is the latest improvement in electrical operation of model trains, but its so much more. DCC can help model trains take advantage of all the new features in modern model trains like realistic sound and smoother switching and running. This comprehensive, all-new volume helps modelers get the most out of DCC with diagrams and photos showing how DCC works, from wiring, to installing and setting decoders in running equipment, to throttle units. The DCC Guide presents an overview of the product lines available and helps modelers
