Benson** before purchasing it in order to gage whether or not it would be worth my time, and all praised *The Encyclopedia of Early American Silversmiths and Their Marks with a concise*

Glossary of Terms: Revised and Edited by Rita R. Benson:

Most of the information concerning the early workers of silver in this county is scattered among various catalogues of exhibitions or sales. Therefore, there is no place to which a collector or dealer can turn for concise data to identify a piece of silver or to understand its description. Both collectors and dealers will find the Encyclopedia of Early American Silversmiths an invaluable aid in the identification of American Silver.
