Four StarsBy RobThis could really come in handy.

The Field Guide to Knots contains over 80 carefully chosen knots that provide invaluable tools for safety, survival and enjoyment of every outdoor sport, whether you need to build a shelter, abseil a cliff, tie up a horse or anchor a boat.

You'll also learn how to assess your needs and choose the best knot for the job every time. Clear step-by-step instructions accompanied by colour photographs make even complex knots easy to learn and remember.

About the Author BOB HOLTZMAN has been writing about outdoor sports for more than 25 years. A former editor of boating and outdoors books, he is the author of The Camping Bible, Adventure Survival Handbook and a series of boating books for children.
