Excellent book worth every penny, inspirational artwork along with contact lists for artists.By XexyzChronosIt inspired me to start my own blacksmith shop, along with a few other books, for the prices you can get this book, it has incredible artwork along with a contact list for all of the artists, emails, phone numbers, etc. They welcome questions as this is a fairly rare craft nowadays.

Over 650 high end art knife treasures, many never photographed before, are displayed for their exciting visual design

concepts here.
