The Gun Digest Book of Tactical Weapons Assembly/Disassembly (Gun Digest Book of Firearms Assembly/Disassembly)

J B Wood : The Gun Digest Book of Tactical Weapons Assembly/Disassembly (Gun Digest Book of Firearms Assembly/Disassembly) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gun Digest Book of Tactical Weapons Assembly/Disassembly (Gun Digest Book of Firearms Assembly/Disassembly):

1 of 1 people found the following review helpful. Digest bookBy mike moserTerrible.just a remake of Assembly/Disassembly,Part 4 Law enforcement weapons.Garbage they dont have anyone proof reading this publication.Many spelling errors.Rip off0 of 0 people found the following review helpful. Four StarsBy man in riogood4 of 4 people found the following review helpful. Very good, but incompleteBy MouseVery good book,

detailed description, sufficient quantity of illustrations of decent quality. One big problem - the arbitrary choice of firearms to be included. For example, I hoped to find Steyr AUG in there - but it was not! So if your firearm is one of those described - it's a good book to have. And if it isn't - well, you know...

Assault and tactical weapons make up a very large and rapidly growing segment of the firearms owned today. Like other books in the well-respected series, this book shows the reader a detailed, step-by-step process for completely assembling or disassembling these types of firearms. This book is an invaluable tool for anyone, from the enthusiast to the professional gunsmith.

About the Author J.B. Wood began working as a gunsmith over 50 years ago, and is considered an international authority. In addition to his many published articles and books, he has done mechanical design for a number of armsmakers.
